SUMMER IS HERE!

And it's time to escape into a great book in one of our great formats. The library's selection of MP3 books is getting better all the time. They are easy to use with only one or two discs for the average book – great for car trips. New titles include:

Hard Evidence (a novel featuring Dismas Hardy) by John T. Lescroart (MP3 MYSTERY LES)
High Noon by Nora Roberts (MP3 FICTION ROB)
Kabul Beauty School: An American Woman Goes Behind the Veil by Bernadette Dunne
(MP3 305.4209581 ROD R)

Did you know that you can download Library audio books to your PC at home and then listen to them on your portable MP3 player? Titles include bestsellers, language learning, ESL, award-winning books, novels, and non-fiction for children, teens and adults. Look for more information on our website or talk to staff the next time you're in Signal Hill!
